Dear Members,

Greetings from IIISLA!

Hope you are doing well in your professional as well as personal lives. Friends, in the recent past several incidents of indiscipline and inappropriate behavior by workshop/dealer's employees with our esteemed members are reported by various Chapters. It has further come to the notice of Centre Council, IIISLA, that in some cases our members are also not respecting the decision/action initiated by Chapter Councils against the concerned Work Shops/ Dealerships.

This act of some members has become the prime concern and a worry of our council. Members are requested to maintain unity in case of any such unwarranted activity so aroused. Members must follow the guidelines issued by their respective Chapter. In case of noncompliance by members, the conduct of the erring member shall be viewed very seriously by the Institute, and such case shall be referred to the Disciplinary Committee IIISLA, for necessary action. Members are therefore requested to adhere to the guidelines of their chapters and maintain unity in all possible manners.

Regards,

Nirmal Tripathi

Secretary
