Dear Members,

Greetings of the day!

It is to inform you all that the crisis faced by Kanpur Unit is over now. It's a proud moment to announce that with the support of UP Chapter and bold stand of Kanpur Unit members against the unruly staff of M/S Kuldeep Motors, Panki Kanpur has bore sweet fruits.

The guilty Chief General Manager Mr. Vishvjeet Bose has been removed from the rolls of the body shops of dealership with an assurance by the management that every necessary step will be taken to ensure the safety and respect to each of our member in future.

Friends, it's been more than a week that our members, various insurers and especially the policy holders have been facing several types of hardships. The stand off is over with an amicable solution. Now to watch the interest of Policy Holders is of utmost importance. Therefore I appeal to all my colleagues to initiate redressal of issues of our policy holders on a priority basis with immediate effect. It is further requested to resume the duties and discharge your responsibilities towards the respective insurers in the fastest possible manner.

Thank you,

Nirmal Tripathi
Secretary
