KYC in WWW.IIISLA.CO.IN

The Council of IIISLA introduced collection of details of members as a professional Institute in the year 2019 and an introductory form was introduced for all members to provide their KYC online and it's still there (even though not mandatory). The Initiative was for the betterment of the Members data with the Institute (ROC: - MGT 7) and for using such on certain social and welfare schemes for our members and their Beneficiaries on any emergencies, and to avoid all unnecessary legal and paper works. (For e.g.: - IBF Claims)

Out of 7871 active members in our Database as of April 1st, 2024, 3151 members are seen to have not completed the KYC, or the same is pending. Every member of IIISLA is hereby requested to update their KYC immediately as certain schemes of welfare for surveyor fraternity and beneficiaries (based on details if provided online in IIISLA web portal) based on various parameters like Mobile No (10 DIGIT without Country Code), AGE, SEX, are being discussed for implementation from 15th April 2024, when the FY 24-25 subscription window and IBF window is going to be opened for members.

(Discount for Woman Surveyors, Senior Surveyors) are a few schemes for the FY 24-25.

Members can start updating their KYC, and all the schemes decided by the council for this FY 24-25, shall only be eligible to those who update their KYC.

No member can claim for any of the said schemes if their KYC updating is not done in the portal for the FY 24-25 before paying their subscription.

The council stands not liable or legally challengeable to, if claimed after the above-mentioned subscription for FY 24-25 is paid, without KYC Updating.
