Case Studies and Open House with Quiz.

## KATRA CITY

The journey to the Holy Shrine of Shri Mata Vaishno Devi Ji starts with the Call of Mata. It is not only a belief but also a strong experience of one and all that the Divine Mother sends a call to her children. And once a person receives it, wherever he is, is bound to visit the Mother to receive Her unbounded love and blessings. A popular slogan in the local folklore beautifully expresses it- **Maan Aap Bulandi** - which means that The Mother Herself Calls! It is also a matter of experience by almost all those who visit the Holy Shrine that upon the Call of Mata, a person needs to just take one step and leave the rest to Her and his journey gets completed with Her divine blessings. Simultaneously, it is also believed that unless there is a call or Bulawa no one can visit the Shrine or have Her blessings, howsoever high or mighty one may be.

Katra Town, lying in the foot of Trikuta Mountains, 48 kms. from Jammu, serves as the base camp for visiting the famous shrine of Shri Mata Vaishno Devi, which is approachable on foot along a 13 kms long well laid footpath. Every year, more than 4.5 million pilgrims pass through Katra on their way to the holy shrine..

The cave shrine of Mata Vasihno devi ji or Trikuta Bhagwati (alt: 5,200 ft.) has been a beacon of faith and fulfilment to millions of devotees from all over the world. The pilgrimage to the Shrine holds great significance for the pilgrims.

From here a trek of around 12 kms takes a pilgrim to the Holy Shrine. One can undertake this trek on foot or on horses/ponies or on palanquins (palkies or dolies). While most of the pilgrims prefer to go on foot, some who find it difficult to negotiate the climb hire a pony or a palanquin.

Katra has all types of vegetarian restaurants and dining places. Being a religious place, almost all these restaurants and catering outlets provide pure vegetarian food to the pilgrims in which even onion and garlic is not
