Date : 01-10-2018

Dear Members,

The council has noted that in spite of repeated requests/communications, many of the zones / Chapters / Seminar committees and other officials are yet to submit financial accounts of F.Y. : 2017 - 2018 and previous financial years. Under these circumstances the Council has decided that Office bearers/ responsible members of such chapters / zones / any other committee who had not submitted one or multiple financial accounts with all necessary documents would be held responsible for non-compliance and concerned persons/ officials would be held accountable and necessary action will be initiated against them. The council has also decided that such members would not be allowed to contest in any level of IISLA elections for at least one term.

Regards,

IISLA Admin

On Order of Council
