x. After selecting the **Candidate** you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.

xi. Once you "CONFIRM" your vote on the Candidate, you will not be allowed to modify your vote.

xii. Please note that a member can cast votes lesser than the numbers to be elected for that region but not more. Eg. For North region where two people need to be elected, votes can be cast for one, two or none and not more than 2 votes. One can also choose not to vote for anyone. However, the votes once set cannot be modified. Hence it is important that the votes be cast with a lot of care.

xiii. The member can vote on 1 zone & go to next zone for voting and can come back & view the zone for which he has already voted but cannot modify the same once voted. Once the number of votes under the category is reached, one cannot go back to that region to vote. Eg. In the All India, you might decide to vote for 3 people, and then move on to the North region and vote for two people before proceeding to the Eat zone. In this scenario, one cannot go back to the North Zone, but one can revisit the All India region wherein one vote is still pending to be cast.

xiv. You can also take out print of the voting done by you by clicking on "Click here to print" option on the Voting page.

xv. A scrutinizing officer is appointed to scrutinize independently the entire operation of e-voting. The Contact details of Scrutinizing officer is as below
