**Dear Members,**

**The official website and its payment gateway will go for a stop from 21/11/2020 00:00:01 hours till 23/11/2020 00:00:01 hrs.**

**The server software up gradation is being done during the said period. The CentOS will stop providing support for CentOS 6 on all systems, including our server, from November 30, 2020. This means that we will no longer be supported for bug, security, or feature updates to CentOS 6, after Nov 30 2020.**

**On this we are upgrading our Server Software to CentOS 7.**

**Migration of our Server from CentOS 6 to CentOS 7 will take maximum 48 hours to complete the process and you may expect further 24 to 48 hours for data validation and settings check in the new server.**

**On this during the above said dates, we request members not to communicate with our server by e mail or by any mode of payment, as there are chances of loosing track of the same.**

**Regards**

**Admin**
