Dear Valued Members,

NAMASKAR!

I on behalf of Center Council members, IIISLA, extend heartfelt greetings to all of you on the auspicious occasion of Deepawali, a festival of sparking lights filled with energy and enthusiasm. Deepawali is celebrated for the win of good over the evil and knowledge over the ignorance.

This Diwali we wish all your personal wishes come true. On professional front we assure you that all your expectations shall come true especially the implementation of long awaited portal project. We are working on all the committed projects wholeheartedly with full dedication. Shortly we are also coming up with a project development report before you all.

Deepavali celebration symbolises a row of lamps emitting light which grows further as we lit more and more lamps. The growing light of lamps, eliminates the darkness all around our environment. With this fervour, let us light lamps of hope, harmony and positivity in and around us.

Once again, wishing you all a very Happy and blissful Deepawali.

Best wishes and regards,

Rishi Partap Bhasin.
