Dear IIISLA members,

Greetings for the day!

I Lalit Gupta would like to thank you all for your support and trust which has contributed into reelecting me as the President of our prestigious institution. I assure you all that I will work hard on your behalf listen to your ideas and do everything in my power and capabilities to make our institution the best it can be.

I am here, not only for this position, but also to grab the opportunity to be friends with everyone and like a good friend, I promise to be transparent and honest with you about the challenges that our institution faces. I will do my best to communicate with you at all times possible and keep you informed.

The current situation of IIISLA gives me a good place to start & implement the plans which were pending after my last tenure as President, but it doesn't end there. In the upcoming year 2022, there will be many new ideas, endeavors and lots of betterment. I am ready to once again work for our betterment and to deliver on those promises made to you.

Lastly as your brother, I will be asking your open arms to help me accomplish my visions for IIISLA this year. No person has all the answers and or can do all the work, but I promise to give more than my hundred percent.

Together we must be strong and achieve all our endeavors.

Rgds!

Lalit Gupta  
President
